SELECTED TEACHING, CURATION & PRODUCTION

Odyssey Works, Director of Acting, NY January 2010 – September 2015

Created interactive and immersive long duration site-specific experiences. Devised collaborative and individual art works, created intimate one-on-one scenes, co-directed large group flash mobs, choreographed site-specific dances and improvisations, directed scenes. Contributed as a lead artist to audience-specific pre-planning group creative processes over several months. Created characters and generated original narrative material in partnership with the participant and fellow artists.

Barnard College, Research Associate & Special Consultant to the Provost, NY January 2015 – July 2015

Conducted research and site visits on behalf of Barnard. Produced extensive report on design, technology and staffing recommendations for new Movement/Science lab, maker space and digital humanities facilities in the new Innovation in Liberal Arts building. Liaised with key faculty in dance and neuroscience departments to identify and synthesize departmental needs and best practices for implementation of Movement/Science Lab.

Workshop at Barnard College, Department of Dance, Teacher, NY, April 2015

Taught Topf release technique and improvisation with a focus on the pelvis and psoas muscles to intermediate/advanced Barnard dance students.

Future of StoryTelling Summit, Casting Director and Acting Coach, NY, September 2014

Cast, organized, and coached a group of nine actors in an immersive site-specific performance event inspired by classic science fiction stories and conceived by Fake Love, an experiential design agency, for the annual storytelling summit for media and design professionals produced by Melcher Media.

Loft Space, Teacher/Choreographer, Brooklyn, February – October 2013

Taught experiential anatomy and improvisation, and solo and group improvisation practices to seven professional dancers ages 21 to 32. Created a cohesive group experience, providing a space for dialogue and development of the self, assigned writing assignments followed by readings and comments on journal entries

Topf Technique and Ideokinesis Open Lab, Teacher, Brooklyn Ballet, NY, 2011 – 2012

Rotating weekly dance class, experiential study of anatomical imagery for increased awareness of the body in movement

Earthdance Workshop & Retreat Center, Board Member, MA, 2009 – 2012

Collaborate with other board members in setting policies consistent with the mission of the organization, selecting an executive director and monitor overall performance of the organization
